### Please see below for feedback on our past business seminars:

*"The Claremont is an ideal venue for business meetings, especially breakfast events. In addition to excellent service and food, the size of The Sanderson Suite is flexible, meaning it never feels too big or too small."*

Trevor Kirk – Head of Corporate Banking – Lloyds TSB

*"Our events at The Claremont went extremely well. It is definitely one of the best venues in town for business purposes. Few of its competitors can match the 200 seat capacity and it is an easy walk from town, so people can park where they usually do and walk in, which is always good for attendance. And the facilities and air conditioning are first rate." - Greg Jones – Partner at KPMG*
